Dear Governor:

The Annual Report of the Insurance Department of the State of West Virginia for the calendar year 1979 is hereby submitted as required by Chapter 33, Article 2, Section 15, of the Code of West Virginia, of 1931, as amended.

This report reflects the financial condition and the importance of the insurance industry in our State. I would also like to point out that the premium income was $1,160,502,710. Revenue increased from $26,190,780 to $29,274,624 for an increase of 11.77%. These increases are due primarily to our inflationary economy.

The statistics in this report are compiled from the December 31, 1979 Annual Statements filed with this Department by insurance companies licensed in the state.

Respectfully submitted,

Richard G. Shaw
Insurance Commissioner

INSURANCE DEPARTMENT

West Virginia Life and Health

Guaranty Association Annual Report

(For the Period Ending December 31, 1979)

During 1979, the Board of Directors of the West Virginia Life and Health Guaranty Association, elected by the members and approved by Insurance Commissioner Richard G. Shaw, was composed of the following companies:

Appalachian Life Insurance Co.
Huntington, West Virginia
The Lincoln National Life Insurance Co.
Fort Wayne, Indiana
Metropolitan Life Insurance Co.
New York, New York
Nationwide Life Insurance Co.
Columbus, Ohio
Peoples Life Insurance Co.
Washington, D.C.

Two meetings of the Board were held in 1979. The Annual Meeting took place on May 23, 1979, in the offices of Nationwide Life Insurance Co. in Columbus, Ohio.

Officers elected were:

Daniel B. Seitz, Chairman
Jack L. Miller, Treasurer
Lynn E. McCall, Secretary

The Board voted to require the Treasurer to prepare financial reports as of April 30, and November 30. Such reports have been prepared and made available to the commissioner.

The Board also met in December 5, 1979, in Los Angeles, California.

Copies of the minutes of these two meetings are on file in the Insurance Department.

In April, 1979, the Association made a Class C Assessment against the members in the amount of $460,000 to meet the obligations of the insolvent Old Security Life Insurance Company to West Virginia policyholders and claimants. The Board of the Association has authorized a $560,000 assessment at its December, 1978 meeting. However, the final assessment amount was lowered by $100,000 because this amount was released by the West Virginia Insurance Commissioner. By year end, $425,583.00 had been collected on this Class C Assessment.

Financial statements of the Class A and Class C Assessment Accounts for the year ending December 31, 1979 are on file with the West Virginia Insurance Department. Cash receipts have totaled $1,102,304.66 and cash disbursements have totaled $918,571.81 leaving a cash balance of $183,732.85 on December 31, 1979.

Litigation was filed in February, 1979, regarding one disputed $5,000 claim. This suit is still pending.

The Association is also resisting attempts by the Bank of Sissonville and the Elk National Bank to retain unearned commissions on cancelled Old Security business.

WEST VIRGINIA POST-ASSESSMENT INSURANCE GUARANTY ASSOCIATION

1979

The Board of Directors held its Annual Meeting on April 20, 1980, and reviewed the Association's activities for the past year:

1. The Board held a special meeting on November 28, 1979, and authorized an additional assessment for Professional Insurance Company, new assessments for Consolidated Insurance Company and Reserve Insurance Company, a return credit for Summit Insurance Company and an administrative assessment. The Board also reviewed an Audit Committee report on the Association's balance sheet. Member representatives from State Auto, Buckeye Union and CNA conducted the audit per Association rules.

2. The Secretary-Treasurer reported that the Association had funds of $60,526.64 as the result of the December 1, 1979 assessments. A review of the assessment accounts has been made to resolve some minor disputes, and to properly allocate funds and past years' expenses to the proper insolvent company account. The Board authorized investment of those funds until claims or expenses were presented.

3. The Board accepted, with regret, the resignation of Bob Shorr, Assistant to the Secretary-Treasurer, and appointed Miss Ann Scott to serve in his stead. Miss Scott will be responsible for the bookkeeping of the Association's accounts. Mr. Shorr has served the Association since its founding in 1970.

4. The Board reviewed outstanding claims and expenses for the various companies, and the reports of James Lane, Administrator, who handles claims for the Ohio Insurance Guaranty Association. The maximum liability is estimated at $188,450.00 but this amount includes $115,000.00 for a questionable claim currently under investigation.

5. The Board reviewed reports from the National Committee on Insurance Guaranty Funds and its committees; reviewed its responsibilities under the statutes; appointed a committee to study the West Virginia farm assessment mutual companies' coverage under the Guaranty Act; waived an audit due to little current claims and expense activities; and re-elected the current officers for another one year term.

ACTIVITIES OF THE LEGAL DIVISION DURING 1979

The Insurance Department scheduled twenty-seven formal hearings during the year 1979, including two hearings held for the purpose of promulgating Administrative Regulations. Legal representation was furnished the Department by the Office of the Attorney General. In addition, an attorney in private practice was engaged to serve independently in the capacity of Hearings Examiner for the Department.

Of the twenty-seven hearings, nine concerned insurance company rates and forms, seven dealt with policy cancellations or nonrenewals, two imposed a fine on domestic farm mutuals for failure to file annual statements on time, two resulted in the withdrawal of admitted companies licenses, two concerned acquisition of a domestic company by a foreign insurer, one dealt with the withdrawal of security deposit bonds posted in the state, one fined a company for dereliction in its duty to control its agents, one concerned a health maintenance organization which was found to be in violation of law, and two were public hearings held to promulgate regulations.

One of the regulation hearings resulted in a regulation concerning the Replacement of Life Insurance being promulgated to amend the existing regulation concerning replacement of life insurance.

The other regulation hearing concerned the Compensation, Qualification and Classification of Examiners, and was promulgated in order that a staff of insurance company examiners could be hired by the Commissioner.

Administrative Hearing 79-1 dealt with a series of form and rate filings by American Family Life Assurance Company of Columbus. The forms and rates were approved for use, but confined in applicability to those policies presently in existence.

Hearing 79-2 concerned a graduated benefits variable annuities form approved in error by the Department.

Hearing 79-3 resulted in the reinstatement by the Federal Insurance Company of a policy of insurance belonging to Theodore H. Hazzard, with all premiums due and owing ordered paid.

Hearing 79-4 was a public hearing called to determine whether the acquisition of Mountaineer Fire and Casualty Insurance Company by Trieste Corporation, of Louisiana, was in the best interests of the policyholders of the state. The proceedings were rendered moot after withdrawal by Trieste of its offer due to the fact that Mountaineer Fire refused to allow its records to be audited.

Hearing 79-5 concerned automobile rate revisions filed by State Farm Mutual Automobile Insurance Company and State Farm Fire and Casualty Company. The examiner found that a second filing of rates operates as a withdrawal of a previous filing, and therefore dismissed proceedings for appeal of disapproval of the first filing.

Hearing 79-6 dealt with a nonrenewal by Allstate Insurance Company of a policy issued to Jarrell R. and Eloise Bays. The policy was reinstated.

Hearing 79-7 and 79-8 concerned an attempt by the Department to rescind rate increases approved in error. The matter was held in abeyance by a temporary writ of prohibition which is currently outstanding.

Hearing 79-9 resulted in a nonrenewed policy of insurance issued to Marcie L. Moore being reinstated by Security Mutual Casualty Company.

Hearing 79-10 was held to determine the validity of a nonrenewal by State Farm Mutual Insurance Company of a policy of insurance issued to Barbara Jo Calfee. The policy was reinstated and the hearing costs assessed against the company.

Hearing 79-11 was held to determine whether the license to transact insurance issued to Reserve Insurance Company should be revoked. The company was found to be insolvent and its license revoked.

Hearing 79-12 concerned the financial ability of the American Reserve Insurance Company to continue to transact insurance in the State of West Virginia. The company was found to be insolvent and its license to transact insurance in the state was revoked.

Hearing 79-13 concerned the nonrenewal by Allstate Insurance Company of a policy of insurance issued to Donald E. and Diane G. Sanner. The policy was reinstated.

Hearing 79-14 resulted in the reinstatement of a policy of insurance issued to William R. Bragg by Safeco Insurance Company of America.

Hearing 79-15 concerned the nonrenewal by Allstate Insurance Company of a policy of insurance issued to Joseph J. Nicholson. The policy was reinstated.

Hearing 79-16 concerned the revision of certain Private Passenger Automobile Rate Adjustments by the Erie Insurance Exchange.

Hearing 79-17 dealt with the failure of the Farmers Home Fire Insurance Company to timely file its annual statement as required by law. A penal sum in the amount of one hundred dollars was forfeited by the company.

Hearing 79-18 concerned the failure of the Wetzel Farmers' Mutual Insurance Association to timely file its annual statement as required by law. The company forfeited a fine in the amount of one hundred and fifty dollars.

Hearing 79-19 was held to determine whether the company was derelict in its control of agents. The company accepted responsibility for its agents' actions, and agreed to repay premiums collected or honor claims due on nonapproved policies sold, as well as to realign its agents' assigned territories so as to prevent the crossing of state lines in marketing. The company further agreed to conduct periodic audits to assure compliance, and forfeited a fine in the amount of fifteen hundred dollars.

Hearing 79-20 concerned an appeal by Nationwide of a disapproval by the Department of certain automobile policy rates. The matter was settled through compromise.

Hearing 79-21 dealt with rate filings submitted by Standard Fire Insurance Company and Automobile Insurance Company of Hartford, Connecticut, for physicians and surgeons professional liability insurance. The rates were found to be justified and approved for use after January 1, 1980.

Hearing 79-22 dealt with the request by Midland Casualty Insurance Company for release of the General Obligation Bonds posted by Midland Indemnity Insurance Company of West Virginia. The bonds were held to be no longer necessary, and the release to Midland Casualty was ordered.

Hearing 79-23 concerned the reinsurance of all of the insurance provided by the Mutual Fire Insurance Company of West Virginia by the West Virginia Fire and Casualty Company. The Commissioner found that the proposed reinsurance treaty met all requirements of law and further, that said treaty would result in the greatest benefit to the policyholders of Mutual Fire Insurance Company of West Virginia. The treaty was approved.

Hearing 79-24 concerned rate filings by Blue Cross Hospital Service, Inc. and Blue Shield of Southern West Virginia, Inc. The rates were found to be excessive and disapproved.

Hearing 79-25 dealt with the areas of noncompliance with the statute by Mountaineer Family Health Plan, Inc., a Health Maintenance Organization (HMO) located in Beckley, West Virginia.

During the 1979 session, the West Virginia Legislature enacted several changes in the insurance laws of the state. Chapter 33-2-9(a)of the Code was rewritten to be more specific in the method of compensation of examiners sent by the Commissioner to examine foreign and domestic insurers.

A new section, Section 33-2-9a was added which allowed an additional credit against premium tax for the cost of any exam incurred to companies which qualify for a credit against premium taxes levied under Section 33-3-14a of the Code.

Section 33-4-13 was amended by the substitution of certain grammatically correct terms, and by the substitution of the term "registered or certified mail" for the term "registered mail" throughout the section.

Section 33-6-31 was amended by the addition of a proviso to Subsection (b) which mandated the optional purchase of uninsured motorist coverage up to the amounts of $100,000/$300,000/$500,000 with a deductible of up to $300. The section was also amended by the addition of Subsection (k) which stated that insurers were not precluded from offering benefits and limits, with their consistent conditions and exclusions, other than those prescribed therein.

A new section, Section 33-6-31a was added which mandated that rates charged for the minimum uninsured motorist coverage required shall be separate from rates charged for the optional limits afforded under §33-6-31.

Section 33-6A-4 was amended to include a proviso that an insurer may not fail to renew an outstanding automatic liability insurance policy which has been in effect for two consecutive years or longer except for certain specified reasons. Nonrenewal was made subject to hearing and review, and costs were fixed as assessable to the losing party of an amount not to exceed seventy-five dollars.

Section 33-14-3(d) was slightly amended to substitute the amount "twenty thousand dollars" for "ten thousand dollars" in the maximum amount of insurance on the life of any debtor, where the amount owed is repayable in installments.

CONSUMER SERVICES

The Consumer Services Division is comprised of Consumer Complaints and Agents Licensing. The Division employs five technical personnel and four clerks.

Consumer Complaints Section is responsible for the review of the facts surrounding each complaint received against an insurance company or an agent. It is the Division's objective to make certain the complainants are advised of and understand the handling of their claims and other insurance problems. The aim of the Division is to protect the citizens of West Virginia by attempting to ensure that all complaints are equitably resolved in a prompt and professional manner.

The Agents Licensing Section has the supervision and control over the processing of applications for insurance licenses, preparing and administering the examinations, and the issuance of all licenses to qualified agents. All agents licenses are renewed on a yearly basis.

The Division maintains a registry of all company appointments. These records are available to the insurance industry and the public.

The Division has testing facilities statewide for the examinations and the schedule is shown on the following page.

GENERAL ACTIVITIES

In addition to complaints and inquiries received in the Division by mail, numerous complaints and inquiries relating to all facets of insurance are posed by the public through telephone calls and personal visits to the office. In 1979, the Division received an average of 15 new complaint letters a day, an average of 60 phone calls each day, and 3 personal visits a day. Since personnel of the Division encounter a variety of insurance situations in the course of a day's activity, a close working relationship is maintained with other Divisions of the Department. This ensures that they are aware of the problem situations

that are of interest to them, and to utilize the technical support available from them that is needed to handle certain consumer matters, such as investigations, rate filings, legal questions, and agent questions.

WATS "HOTLINE"

Since the inception of the consumer "Hot Line", it has proven to be a valuable service to the citizens of West Virginia. In 1979, the Division received 30% of its telephone calls on the "Hot Line".

Even though many calls received involve matters that require follow-up correspondence or other action, the primary objective of the "Hot Line" is to handle as many matters as possible to a conclusion over the telephone. This enables us to provide a prompt service and elimination of follow-up action which is time consuming for both the West Virginia citizen and the Division.

FIELD REPRESENTATIVES

The Division has one field representative that, in addition to handling office duties, travels throughout the state investigating complaints.

MARKET CONDUCT EXAMINATIONS

Personnel from the Division participated in market conduct examinations reviewing certain aspects of the company's claims operation. This examination involves a review of part or all of a company's practices in sales, claims, rates and underwriting.

CONSUMER ASSISTANCE PROGRAM

Personnel from this Division engage in activities consisting of visiting pre-scheduled and pre-publicized locations throughout the state to make themselves available to meet with West Virginia citizens who have insurance problems. This program is designed to take the Department services to the people.

Through this program, the Division Service Representative conducted approximately twenty-two insurance seminars throughout the state in 1979 with a total 700 in attendance.

ANNUAL REPORT

RATES AND FORMS DIVISION

The Rates and Forms Division was created from the merger of the Life, Accident and Sickness Division and the Property-Casualty Division, as part of the Insurance Department reorganization effective August 1, 1979.

The Insurance Department received 11,328 rate and form filings in 1979; this represents a 28.8% increase over the 8,793 filings receive in 1978. Life, accident and sickness filings account for 41% of the 1979 volume; property-casualty filings make up the remaining 59%.

A total of 452 filings were disapproved in 1979, with 213 life, accident and sickness disapprovals and 239 property-casualty disapprovals.

Major Filings.

(A) Personal Automobile Insurance Rates: Nearly all automobile insurers continued to file rate increases in 1979. While many increases were granted, the Insurance Commissioner often granted amounts which were less than requested because filers failed to adequately document their requirements. The average increase granted was about 10%, similar to the 1978 increases.

Changes in components of the Consumer Price Index (CPI) demonstrate the changes in costs of items for which insurance pays; a comparison of the CPI for December 1979 with December 1978 shows the following increases:

Auto Maintenance and Repair	+10.1%
Medical Costs	+10.1%

State Farm Insurance Companies' Crash Parts Index rose 11.4% between January 1, 1979 and January 1, 1980.

The following major personal auto rate approvals were granted:

Aetna Life and Casualty Companies	+ 6.3%
Erie Insurance Exchange	+16.7%
Federal Kemper Insurance Company	+ 0.1%
Insurance Services Office	+12.2%
J.C. Penney Casualty Company	+12.4%
Nationwide Mutual Insurance Company	+10.3%
Prudential Property and Casualty Insurance Co.	+14.6%
Safeco Insurance Companies	+ 9.5%
State Auto Mutual Insurance Company	+ 7.5%
State Farm Insurance Companies	+12.2%

(B) Homeowners Insurance Rates: Continued deterioration in fire insurance experience prompted further rate increase requests in this area. The average increase granted was about 8%, compared to 10% in 1978.

Homeowners insurance rate increases were in part based on the increasing costs of housing and building materials, as evidenced by changes in the related CPI components. The following CPI changes occurred between December 1978 and December 1979.

Housing Costs	+15.2%
Housing Maintenance and Repair Costs	+10.3%
Household Furnishings	+ 5.2%
Lumber and Wood	+ 0.4%

The following major homeowners rate approvals were granted:

Allstate Insurance Company	+ 9.2%
Erie Insurance Exchange	+2[illegible]%
Insurance Services Office	+ [illegible]%
Nationwide Mutual Fire Insurance Company	+10.7%
Prudential Property and Casualty Insurance Co.	- 9.0%
State Auto Mutual Insurance Company	+ 9.8%
State Farm Fire and Casualty Company	+ 7.3%

(C) Health Insurance Rates: Continued quantum leaps in health care costs made corresponding increases in health insurance rates necessary.

Changes in health care components of the CPI are a useful yardstick; a comparison of December 1979 with December 1978 shows the following increases:

Physicians Service	+ 9.4%
Medical Care commodities	+ 7.6%
Hospital Room	+11.1%
Hospital Service Changes	+11.3%

Major rate increases are as follows:

Charleston Blue Cross/Blue Shield	+50.0%
(Senior 65 and Medicare Supplement)	+17.0%
Parkersburg Hospital Service, Inc.	+50.0%
Morgantown Hospital Service, Inc.	+ 8.7%
Prudential Insurance Company (CHIP)	

(D) Other Filings

(1) Approved a 16.9% increase for Standard Fire Insurance Company's physicians and surgeons professional liability program.

(2) Disapproved a substantial number of filings which do not comply with the Individual Accident and Sickness Insurance Minimum Standards Regulation. The most common reasons were (1) failure to properly disclose pre-existing condition exclusions, (2) failure to use required overlay on accident only policies, (3) inadequate benefits in hospital indemnity policies, (4) excluding coverage under hospital indemnity policies due to confinement in veterans hospitals, (5) specified disease (e.g. cancer) policies whose benefits were inadequate.

(3) Approved many life policies being amended to comply with increasingly popular readability standards.

(4) Approved amendments to group health certificates to conform to the U. S. Pregnancy Discrimination Amendment to the 1964 Civil Rights Act.

(5) Approved a new Medicare supplement form and major contract for Blue Cross Hospital Service, Inc. and Blue Shield of Southern West Virginia.

(6) Approved new rates and contracts for two new health maintenance organizations: Healthwise and Mountaineer Family Health Plan, both of Beckley.

(7) Disapproved Insurance Services Office's filings of a Modified Coverage Form (HO-8) and a Special Loss Settlement Endorsement (HO-256) because the forms do not comply with the Valued Policy Law (Code 33-17-9).

(8) Approved Insurance Services Office's New Commercial Lines Manual.

(9) Disapproved Insurance Services Office's +37.5% commercial automobile rate filing; +20.8% personal automobile rate filing; +33.6% manufacturers and contractors increased limits filing; +74.6% owners, landlords, and tenants rate filing; +6.0% commercial fire and extended coverage rate filing; +19.1% dwelling fire and extended coverage rate filing; and +14.8% glass rate filing.

(10) Disapproved American Association of Insurance Services' +20% mobile-homeowners rate filing.

(11) Disapproved Travelers Indemnity Company's +20.0% personal auto rate filing.

(12) Approved Insurance Services Office's +150% dentists professional liability rate filing.

Town Fire Protection Grading

In accordance with the Fire Protection Grading Schedule approved in 1974, the following fire protection evaluations were conducted by the Insurance

Services Office, an approved fire rating organization, and submitted to the Insurance Commissioner in 1979. The Annual Report to the Commissioner, required by Regulation Series V (3:07), contained the following:

NO.	TOWN INSPECTED	RESULT OF EVALUATION	PRESENT CLASSIFICATION STATUS
1.	Glendale	8 to 7	7
2.	Bayard	9 to 8	8

Excess Lines

(A) Section 33-12-10 of the West Virginia Code permits a licensed excess line broker to procure insurance coverage from an unlicensed insurance company when it cannot, after diligent effort, be procured from any licensed company.

Following is a comparison of 1978 and 1979 excess lines statistics:

	Calendar 1978	Calendar 1979	Percent Change
Written Premiums	$6,387,477.77	$8,379,891.93	+31.2%
Number of Active Brokers	32	41	+28.1%
Total Number of Brokers	40	45	+12.5%
Tax Liability @2%	117,082.98	156,548.61	+33.7%
Number of Policy Affidavits	1913	2516	+31.5%

For 1979, this Department confirmed that $8,379,891.93 of written premiums were placed through an excess line market in West Virginia by 41 of the 45 licensed excess line brokers. The total excess line tax liability for 1979 was $156,548.61. We received 2516 excess line policy affidavits in 1979 as compared to 1913 received in 1978.

The above figures represent the following percentage changes in 1979 compared with the 1978 totals: written premiums increased +31.2%, number of active brokers increased +28.1%, total number of brokers increased +12.5%, tax liability increased +33.7% and the number of policy affidavits increased +31.5%.

The West Virginia excess line market was once again increasing in volume and use as reflected by the increase in policies written, premiums written, tax liability and applications for excess line brokers licenses.

A review of the 1979 annual statements showed $8,379,891.93 written premiums and $552,461.18 return premiums.
